Dear Grade One Parents,

The 2017/2018 Destination Imagination program will begin next week for the new season. There is a one first grader and her Mom looking for a few more first graders and a parent/adult volunteer to join them. They would like to meet weekly on Tuesdays after school, 2:45 PM to 3:45 PM. This Mom needs more parents/adult volunteers to help rotate each work to assist the team, as she works and can not commit to every week. As Coordinator for the program, I will be assisting with weekly meeting agendas and helping to guide the team, however, another adult needs to be present to help supervise each week. I will be assisting others teams as well on Tuesdays and therefore cannot remain with a single team for the duration of the meeting time.

The DI program commitment for this grade level is called Early Learners-Rising Stars, and runs from next week through March 10th, with our closing celebration on March 27th. For this grade level, there is no competition, just a presentation at our Regional Tournament. For more information, please contact me ASAP. Call or text the number below, or email. Thank you.

Sincerely,
Linda
