

NORFOLK~WRENTHAM YOUTH BASKETBALL

**For Boys and Girls Grades K – 6
REGISTRATION is NOW OPEN!
Register at: www.virtualnorfolk.org/rec**

Join us in our 12th year of Youth Basketball! NWYB is specifically geared toward the new, developing, and advancing elementary school player. Our philosophy is to teach players the FUNdamentals of the game in a caring and fun manner. The coaching staff is led by the King Philip Varsity coaches, Amy Siggins (girls) and Mark Champagne (boys). The KP Varsity players will be there along with assistant coaches.

Each year players improve their skills and the program changes to accommodate their new skill levels. Our goal is to give players an excellent foundation and the experience to enjoy the game at all levels while emphasizing team work and sportsmanship. Boys and girls play on separate teams.

THE SCHEDULE All players play on Saturdays with the youngest players starting first. New this year - Both Kindergarten boys and girls will play at the Middle School starting at 9am (separate gyms). All players in Grades 3 and up have one 40-45 minute practice on Thursday evenings. This practice is encouraged but optional.
