

Dear Parents/Guardians,

First, we'd like to thank you for buying these supplies for your child. Having these supplies on the first day of school will help your child feel prepared for second grade. Second, throughout the 2023-2024 school year, please check with your child about the status of his/her supplies as they may need to be replenished at some point during the school year. Thanks again for your help, and we look forward to working with you and your child this year!

Sincerely,

Grade Two Teachers
