

Dear Parents/Guardians,

First, we'd like to thank you for buying these supplies for your child. Having these supplies on the first day of school will help your child feel prepared for second grade. Second, during the 2020-2021 school year, please check with your child about the status of his/her supplies as they may need to be replenished at some point during the school year. Finally, this is the second grade *required* supply list.

Due to the coronavirus no supplies can be shared. It is important that your child's supplies are labeled. To help your child be successful with remote learning we have included an in-school and an at-home required supply list. Thanks again for your help, and we look forward to working with you and your child this year!

Sincerely,

Grade Two Teachers
