

Wrentham Public Schools

Reimbursement for Fingerprint Background Check (SAFIS) Overnight Chaperones

Every person who works in a public school in Massachusetts, including all substitutes, must have a fingerprint-supported background check that includes an FBI check of national records. Most volunteers in the schools are not required to do so, they only need the CORI check run by the school district at no cost. The exception is overnight chaperones, particularly for **Camp Bournedale**. If you plan to volunteer as a camp chaperone, you may be reimbursed for the cost of having your SAFIS background check, \$35.00 per person.

Appointments are made on the web at <http://www.identogo.com/FP/massachusetts.aspx>

The Wrentham Public School district code for submitting background check information is **03500000**. King Philip Regional Schools, for both Middle School and High School, is 06900000. You may have results sent to ten districts when you make your appointment.

If you have had a SAFIS background check done in another school district in Massachusetts, you may ask that district to forward documentation of suitability to greenl@wrenthamschools.org. Fingerprint background checks conducted for other reasons, including TSA Precheck and employees other than Massachusetts public schools, may not be used in place of the SAFIS checks.

To apply for reimbursement, fill out the information below and place this form with your receipt from Identogo in an envelope, directed to **Business Office, Wrentham Public Schools**.

Reimbursement Payable to:

Name: _____

Home Address: _____

Town, State and Zip Code : ☐ Wrentham, MA 02093

OR
